

Brand Name: EUREKOF SYRUP

Dosage Form: SYRUP

Composition: Tulsivasaka haldi & Jethimadh

Category: Herbal Respiratory Support Syrup

Packaging Type: PET BOTTLE

Packaging: 100 ML

Brief Product Introduction:

EUREKOF SYRUP is a herbal respiratory formulation developed and manufactured by **AstraEureka Pharmaceutical**. Enriched with a powerful blend of 13 botanical extracts including Tulsi, Vasaka, Yashtimadhu, Sunth, and Haldi, this syrup provides natural relief from respiratory discomfort. Each 5 ml delivers carefully measured active botanicals known for their anti-inflammatory, bronchodilatory, expectorant, and antimicrobial actions. It helps relieve cough, cold, throat irritation, congestion, and promotes respiratory wellness. It is ideal for both acute and chronic respiratory conditions and supports immunity. Additional ingredients like Ajwain, Marich, and Nilgiri oil enhance its effectiveness in clearing airways and easing breathing. The syrup is alcohol-free and flavoured for palatability. Suitable for adults and children.

Composition:

Each 5 ml contains extract derived from:

- Tulsi (Ocimum Sanctum, Panchang).....A.B. 150 mg
- Vasaka (Adhatoda Vasica, Wholeplant).....A.B. 200 mg

Key Benefits:

1. Provides relief from cough and throat irritation
2. Acts as an expectorant to clear mucus
3. Eases nasal and chest congestion

4. Reduces inflammation in the respiratory tract
5. Helps in management of cold, flu, and seasonal allergies
6. Supports immunity and respiratory health

Indications:

1. Dry and productive cough
2. Common cold and flu symptoms
3. Allergic rhinitis
4. Bronchitis
5. Throat irritation and hoarseness
6. Congested breathing

Directions for Use:

1. Shake well before use
2. Take after meals or as directed by the physician

Dosage and Administration:

1. **Adults:** 5–10 ml, 2 to 3 times a day
2. **Children:** 2.5–5 ml, 2 times a day or as advised by the physician

Safety Information:

1. For oral use only
2. Use under medical supervision
3. Not recommended during pregnancy without consulting a physician
4. Keep out of reach of children
5. Avoid overdose

Mechanism of Action:

- EUREKOF SYRUP acts through synergistic effects of its herbal ingredients. Tulsi, Vasaka, and Yashtimadhu soothe the respiratory tract and reduce inflammation.
- Sunth, Marich, and Ajwain act as natural decongestants and antimicrobial agents.
- Haldi and Taj offer anti-inflammatory support, while Nilgiri oil provides instant cooling and bronchodilation.
- The overall action clears airway obstruction, loosens mucus, soothes the throat, and supports immune defense, offering relief in both dry and wet cough conditions.

Contraindications:

1. Hypersensitivity to any of the herbal ingredients
2. Use with caution in patients with ulcers or asthma (consult physician)

Side Effects:

1. Generally well tolerated
2. Rarely, mild gastric discomfort or allergic reaction may occur

Important Notice:

- LIVO-A SYRUP is a herbal supplement and not a substitute for prescribed medicines in serious respiratory illnesses.
- Always consult a healthcare professional if symptoms persist or worsen.

Storage Conditions:

1. Store in a cool and dry place below 25°C
2. Keep bottle tightly closed
3. Do not freeze
4. Protect from direct sunlight

Packing Information:

- Available in 100 ml PET bottle with outer box
