

**Brand Name: LIVO-A SYRUP**

**Dosage Form:** syrup.

**Category:** Herbal Liver Tonic.

**Packaging Type:** pet bottle.

**Packaging:** 200 ml.

**Brief Product Introduction:**

**LIVO-A SYRUP** is a herbal liver tonic developed and manufactured by **AstraEureka Pharmaceutical**. Each 5 ml of this syrup contains a carefully selected blend of hepatoprotective and detoxifying herbs such as Kalmegh, Kutki, Arjun Chhal, Punarnava, Vasaka, and Triphala. These ingredients are traditionally known for supporting liver function, improving digestion, and helping in detoxification processes. LIVO-A SYRUP helps maintain healthy liver enzymes, promotes bile secretion, and protects the liver from toxins, alcohol, and drug-induced damage. It is especially beneficial for conditions such as fatty liver, jaundice, indigestion, and general liver weakness. The syrup is free from alcohol and is preserved with safe ingredients for extended shelf life. Suitable for both adults and children under medical supervision, LIVO-A SYRUP is available in a 200 ml PET bottle with a caramel-flavored base, making it palatable and easy to consume.

**Composition:**

**Each 5 ml contains:**

- Kanthkari (Solanum Xanthocarpum).....A.B. 100 mg
- Arjun Chhal (Terminalia Arjuna).....A.B. 100 mg
- Kutki (Picrorrhiza Kurroa).....A.B. 50 mg

- Sunth (Zingiber Officinale).....A.B. 50 mg
- Navsar.....A.B. 50 mg
- Revandchini (Rheum Emodi).....A.B. 100 mg
- Sarapunkha (Tephrosia Purpurea).....A.B. 100 mg
- Gulab Phool (Rosa Damascena).....A.B. 50 mg
- Pitpapara (Fumaria Officinalis).....A.B. 100 mg
- Flavoured Syrup Base.....Q.S.
- **Preservatives:**
  - Sodium Methyl Paraben I.P.....2 mg
  - Sodium Propyl Paraben I.P.....2 mg

- Sodium Benzoate I.P.....0.5 mg

**Key Ingredients:**

- Kalmegh
- Kutki
- Punarnava
- Arjun Chhal
- Kanthkari
- Vasaka
- Triphala
- Sunth
- Pitpapara
- Revandchini
- Kasni
- Sarapunkha
- Gulab Phool
- Navsar

**Key Benefits:**

1. Supports liver detoxification and regeneration
2. Stimulates bile secretion and improves digestion
3. Helps normalize elevated liver enzymes
4. Aids in recovery from hepatitis, jaundice, and fatty liver
5. Enhances metabolism and relieves bloating and indigestion
6. Strengthens overall liver function and immunity

**Indications:**

1. Liver disorders (fatty liver, hepatitis, jaundice)
2. Loss of appetite
3. Indigestion and gas
4. Alcohol-induced liver stress
5. Weak liver function due to medication or toxins
6. Chronic constipation and sluggish metabolism

**Directions for Use:**

1. Shake well before use
2. Take after meals or as directed by the physician

### **Dosage and Administration:**

1. **Adults:** 10 ml twice daily after meals
2. **Children:** 5 ml twice daily or as prescribed

### **Safety Information:**

1. Use under the supervision of a healthcare professional
2. Do not exceed the recommended dosage
3. Not to be used during pregnancy without medical advice
4. For oral use only
5. Keep away from children

### **Mechanism of Action:**

- LIVO-A SYRUP works by combining hepatoprotective, antioxidant, anti-inflammatory, and cholagogue actions.
- Herbs like Kalmegh, Kutki, and Punarnava protect liver cells and promote regeneration.
- Arjun Chhal and Triphala support cardiovascular-liver health synergy. Vasaka and Sunth reduce inflammation, while Kasni and Pitpapara enhance bile flow.
- This comprehensive action helps detoxify the liver, boost metabolism, and regulate digestive enzymes.

### **Contraindications:**

1. Hypersensitivity to any component
2. Severe gastrointestinal ulcers (use with caution)
3. Pregnancy and lactation (only under supervision)

### **Side Effects:**

1. Rare and mild, may include gastric irritation in sensitive individuals
2. Discontinue if any allergic reaction occurs

### **Important Notice:**

- LIVO-A SYRUP is a supportive Ayurvedic supplement and is not a substitute for medical treatment.
- Always consult a physician before starting in chronic liver conditions or when using with other medications.

**Storage Condition:**

1. Store in a cool, dry place below 25°C.
2. Protect from direct sunlight.
3. Do not refrigerate.
4. Use within prescribed expiry after opening.

**Packing Information:**

- 200 ml PET bottle with leak-proof and tamper-evident cap.
