

Brand Name: VITA-4G**Composition:** multivitamin, multimineral antioxidant with L-Lysine syrup**Dosage Form:** Syrup**Category:** Multivitamin & Multimineral Supplement**Packaging Type:** PET bottle**Packaging:** 200 ml**Brief Product Information:**

VITA-4G Syrup is a comprehensive multivitamin and multimineral tonic manufactured by **AstraEureka Pharmaceutical**, a trusted manufacturer of composition. Enriched with essential vitamins (A, B-complex, C, D3, E), minerals (zinc, copper, iodine), and amino acid L-Lysine, it is designed to boost energy, immunity, appetite, and growth. This formula is ideal for individuals with nutritional deficiencies, fatigue, low immunity, or during recovery. L-Lysine enhances protein absorption and growth, while vitamins B1, B2, B6, and B12 support nerve function and metabolism. It is suitable for adults and children. Recommended dose: 5–10 ml once or twice daily, or as directed by the physician. Comes in a 200 ml PET bottle.

Composition:**Each 5 ml contains:**

- Energy.....10.0 Kcal
- Carbohydrate.....2.5 g
- Sugar.....2.0 g
- Protein.....0.0 g
- Fat.....0.0 g
- Vitamin A Palmitate.....1250 IU
- Cholecalciferol (Vitamin D3).....100 IU
- Vitamin E (Tocopheryl Acetate).....2.5 IU
- Thiamine HCl (Vitamin B1).....0.75 mg
- Riboflavin (Vitamin B2).....0.75 mg
- Pyridoxine HCl (Vitamin B6).....0.5 mg
- Cyanocobalamin (Vitamin B12).....1 mcg
- D-Panthenol.....1.25 mg
- Niacinamide.....7.5 mg
- L-Lysine.....5 mg
- Potassium Iodide.....50 mcg
- Copper Sulphate.....100 mcg
- Zinc Sulphate.....3 mg
- Flavoured Syrup Base.....q.s.

Key Ingredients:

- Multivitamins (A, D3, E, B1, B2, B6, B12)
- Minerals (Zinc, Copper, Iodine)
- L-Lysine
- Niacinamide, D-Panthenol

Key Benefits:

1. Boosts immunity and energy
2. Improves appetite and growth
3. Aids in recovery and convalescence
4. Supports cognitive and metabolic functions
5. Prevents vitamin and mineral deficiencies

Indications:

1. General weakness and fatigue
2. Nutritional deficiency states
3. Loss of appetite
4. Growth delays in children
5. Convalescence after illness or surgery

Directions for Use:

1. Shake well before use
2. Can be taken directly or mixed with water/juice
3. Use measuring cap for accurate dosing

Dosage and Administration:

1. Children: 5 ml once or twice daily
2. Adults: 10 ml once or twice daily
3. Or as prescribed by a physician

Safety Information:

1. Do not exceed the recommended dose
2. Store in a cool, dry place
3. Keep out of reach of children
4. Safe for long-term use under medical advice
5. Pregnant or breastfeeding women should consult a doctor before use

Mechanism of Action:

- VITA-4G acts by supplementing essential vitamins and minerals involved in metabolic pathways.
- **B-complex vitamins** aid energy production and neural function. **Vitamin A** supports vision and immune health.
- **Vitamin D3** helps in calcium absorption. **Vitamin E** and **zinc** act as antioxidants to protect cells.
- **L-Lysine** promotes protein utilization and appetite stimulation.
- Together, these components restore nutritional balance and improve overall vitality.

Contraindications:

1. Hypersensitivity to any ingredient.
2. Hypervitaminosis (excess of certain vitamins).
3. Use cautiously in renal or hepatic impairment.

Side Effects:

1. Mild nausea or gastrointestinal upset (rare).
2. Allergic reactions (rare).

Important Notice:

- This is a nutritional supplement, not intended to treat or cure diseases.
- Use under healthcare supervision.

Storage Condition:

1. Store below 25°C.
2. Do not freeze.
3. Protect from direct sunlight.

Packing Information:

- Available in 200 ml PET bottle.
- With outer box
