

Brand Name: LYCOMOON SYRUP

Composition: lycopene, b-complex multivitamins, multimineral with l-lysine syrup.

Dosage Form: Syrup.

Category: Antioxidant & Multivitamin Supplement.

Packaging Type: PET bottle.

Packaging: 200 ml & 100 ml.

Brief Product Information:

LYCOMOON Syrup is a premium multivitamin and antioxidant health supplement manufactured by **AstraEureka Pharmaceutical**, a reputed manufacturer of composition. Enriched with Lycopene, essential vitamins, minerals, and amino acids, it promotes overall wellness, cellular protection, immunity, and recovery from stress or illness. Lycopene, a potent antioxidant, protects cells from free radical damage, while vitamins A, C, E, and minerals like Zinc and Selenium support immune and skin health.

- Vitamin E (Acetate).....5 IU
- Vitamin B1.....1.5 mg
- Vitamin B2.....1.0 mg
- Vitamin B6.....0.5 mg
- Vitamin B12.....2.3 mcg
- Vitamin C.....25 mg
- Vitamin D3.....200 IU
- Niacinamide.....18 mg
- D-Panthenol.....3.0 mg
- L-Lysine Monohydrochloride.....30 mg
- Zinc Sulphate.....10 mg
- Iodine (as Potassium Iodide).....100 mcg
- Manganese.....200 mcg
- Copper.....20 mcg
- Folic Acid.....300 mcg
- Selenium.....20 mcg

Key Ingredients:

- Lycopene.
- Vitamin A, B-complex, C, D3, E.
- Zinc, Selenium, Folic Acid.
- L-Lysine, Niacinamide.

Key Benefits:

1. Enhances immunity and stamina.
2. Provides antioxidant protection.
3. Supports growth and tissue repair.
4. Boosts metabolism and appetite.
5. Aids in recovery and cellular regeneration.

Indications:

1. Vitamin and mineral deficiencies.
2. General weakness and fatigue.
3. Poor immunity or post-illness recovery.
4. Antioxidant support in oxidative stress.
5. Nutritional supplement during growth or pregnancy.

Directions for Use:

1. Shake well before use.
2. Take after meals.
3. Use measuring cup provided.

Dosage and Administration:

1. Adults: 10 ml once daily.
2. Children: 5 ml once or twice daily.
3. Or as directed by a healthcare provider.

Safety Information:

1. Store in a cool, dry place.
2. Keep out of reach of children.
3. Do not exceed the recommended dose.
4. Not a substitute for a balanced diet.
5. Use under medical supervision during pregnancy or lactation.

Mechanism of Action:

- LYCOMOON acts through a combination of antioxidants, vitamins, and minerals.
- **Lycopene**, a powerful carotenoid, neutralizes free radicals, preventing cellular damage. **Vitamin A, C, and E** support immune health and skin integrity, while **B-complex vitamins** aid in energy metabolism and nervous system function.
- **Zinc and Selenium** enhance immune response and reduce oxidative stress. **L-Lysine** supports protein synthesis and appetite regulation.
- This synergistic action improves overall health, recovery, and vitality.

Contraindications:

- Known hypersensitivity to any component.
- Severe liver or renal impairment (use with caution).
- Not intended for therapeutic treatment of diseases.

Side Effects:

- Nausea or mild GI upset (rare).
- Allergic reactions (very rare).

Important Notice:

- For nutritional support only.
- Use as per healthcare advice.
- Not for medicinal cure of any disease.

Storage Condition:

1. Store below 25°C.
2. Protect from direct sunlight.
3. Do not freeze.

Packing Information:

- Available in 200 ml & 100 ml PET bottle.
- Supplied with measuring cap for accurate dosing.
