

Brand Name: PILOREKA CAPSULE**Dosage Form:** Capsule**Category:** Ayurvedic Piles Management Formula**Packaging Type:** Hdpe bottle**Packaging:** 30 CAPSULE**Brief Product Introduction:**

PILOREKA Capsule is a comprehensive Ayurvedic formulation developed by **AstraEureka Pharmaceutical**, a reputed **manufacturer of composition** that utilizes potent herbal extracts known for their efficacy in piles (hemorrhoids) management. It offers natural relief from pain, swelling, itching, and bleeding associated with both internal and external piles. The unique blend includes Suran, Kutaja, Daruharidra, and Neem—classical herbs recognized for their anti-inflammatory, astringent, and wound-healing properties.

Composition:**Each hard gelatin capsule contains extracts derived from:**

- Suran (*Amorphophallus Paeoniifolius*) Rhizome.....A.B. 100 mg
- Ativish (*Aconitum Heterophyllum*) Bark.....A.B. 70 mg
- Kutaja (*Wrightia Antidysenterica*) Root.....A.B. 60 mg
- Daruharidra (*Berberis Aristata*) Rhizome.....A.B. 50 mg
- Neem (*Azadirachta Indica*) Bark.....A.B. 50 mg
- Nagkeshar (*Mesua Ferea*) Stem.....A.B. 50 mg
- Kumari (*Aloe Barbadebasis*) Leaves.....A.B. 20 mg
- Bael (*Aegle Marmelos*) Root.....A.B. 20 mg
- Harde (*Terminalia Chebula*) Fruit.....A.B. 10 mg
- Saunf (*Foeniculum Vulgare*) Seed.....A.B. 10 mg
- Bolasari (*Mimusops Elengi*) Leaf.....A.B. 10 mg
- Suddha Sphatik Powder.....A.B. 50 mg
- Preservative: Sodium Benzoate IP.....0.5 mg

Key Ingredients:

1. **Suran (*Amorphophallus Paeoniifolius*):** Reduces inflammation and swelling in hemorrhoidal tissues.
2. **Kutaja (*Wrightia Antidysenterica*):** Known for its anti-dysenteric, astringent, and healing action in rectal tissues.
3. **Daruharidra (*Berberis Aristata*):** Acts as a strong antibacterial and anti-inflammatory herb.
4. **Neem (*Azadirachta Indica*):** Reduces infection, pain, and promotes skin and tissue repair.

5. **Nagkeshar:** Controls bleeding and soothes inflamed tissues.
6. **Kumari (Aloe Vera):** Provides cooling, anti-inflammatory, and wound-healing effects.
7. **Bael, Harde, Saunf, Ativisha, Bolasari:** Support digestive function, reduce constipation, and prevent recurrence.
8. **Suddha Sphatik:** A natural haemostatic and cooling agent.

Key Benefits:

1. Provides relief from bleeding, pain, and itching due to piles
2. Reduces inflammation and promotes healing of swollen rectal tissues
3. Improves digestion and reduces constipation
4. Prevents recurrence of hemorrhoids through bowel regularization
5. Supports detoxification and cleansing of the colon
6. Safe for long-term use under medical supervision
7. Does not cause dependency or harsh bowel stimulation

Indications:

1. Internal and external piles (hemorrhoids)
2. Bleeding, prolapsed, or painful piles
3. Anal fissures with discomfort or burning sensation
4. Constipation-related rectal inflammation
5. Post-operative support after piles surgery

Directions for Use:

1. Take the capsule with lukewarm water after meals
2. Should be taken regularly for best results
3. Combine with fiber-rich diet and fluid intake

Dosage and Administration:

1. **Adults:** 1 capsule twice daily after meals or as directed by an Ayurvedic physician
2. **Duration:** Minimum of 4–6 weeks recommended, depending on severity
3. Not intended for pediatric use

Safety Information:

1. Use under the guidance of a qualified practitioner
2. Do not exceed the recommended dose
3. Not recommended for pregnant or lactating women without medical advice
4. Ensure adequate hydration and fiber intake during use

5. Avoid spicy and oily foods for effective results

Mechanism of Action:

- **Anti-inflammatory Action:** Herbs like Suran, Neem, and Daruharidra reduce swelling, burning, and pain in rectal veins.
- **Astringent & Hemostatic Effect:** Nagkeshar, Kutaja, and Sphatik constrict blood vessels, reduce bleeding, and promote tissue repair.
- **Laxative and Digestive Support:** Harde, Bael, and Saunf regulate bowel movement, prevent constipation, and reduce straining.
- **Wound Healing and Cooling:** Aloe Vera and Bolasari soothe the mucosal lining, help in ulcer healing, and maintain rectal hygiene.
- The synergistic herbal action not only manages symptoms but also addresses the root cause to prevent recurrence.

Contraindications:

1. Hypersensitivity to any herbal ingredient
2. Not for use in children
3. Avoid in pregnancy unless prescribed by an Ayurvedic physician
4. Should not be combined with other laxatives or anticoagulant drugs without supervision

Side Effects:

1. Generally well-tolerated
2. Mild GI discomfort or loose motion in rare cases
3. Allergic rash (rare) with hypersensitive individuals

Important Notice:

- This is a traditional Ayurvedic supplement, not a replacement for modern surgical treatment in severe cases
- Seek medical advice for advanced or bleeding piles
- Best used as a supportive therapy with lifestyle correction
- Results may vary based on severity and compliance

Storage Condition:

1. Store in a cool, dry place away from direct sunlight
2. Keep bottle tightly closed after each use
3. Do not refrigerate
4. Keep out of reach of children

Packaging information:

- Packaging type: Hdpe Bottle.
- packaging : 30 capsule.
